More PBL winners

After last fortnight’s PBL winners all coming from primary, this time around saw a change of fortune with all the iTunes vouchers and canteen vouchers going to secondary students. Congratulations to Josie, Annie, Ayden and Jacinta who were this fortnight’s winners. For the remainder of the term we will continue to focus on being responsible, safe and respectful in Active Areas. The next prize draw will be on Monday March 23rd.

Cross Country Preparations

Our sports staff have been getting organised for our school Cross Country carnival which will be held next Wednesday on March 18th. We are going to be using a different track from last year, to try to improve some of the confusion in the various routes. Students and teachers are walking the new track to make sure everyone knows where to go. Thanks to Mr Watts, Mrs Strachan and Mr Wakem for finding the new route and making sure everything is organised for the event.

The new course will start and finish at Cypress View Lodge with students running through the area of bush that borders on to the lodge. The afternoon will commence at 1.30pm with our senior students running 8kms and then at 1.30pm primary students will begin their run. Students are able to wear house colours on the day.

A reminder to all parents of students who take medication for asthma, such as ventolin, that it is important to remember to have the medication with them for the Cross Country.

Have a great week

More great swimming
Congratulations to our primary regional swimmers for a fantastic effort on Monday! Annabelle, Mia and the girls relay team have all qualified to go to Sydney, which is a fantastic result. Apparently first and second place in one of Mia’s races was determined by no more than a fingertip! Well done girls and we wish you well in Sydney.

School planning survey
As part of our school planning we are currently seeking parents and students to complete online surveys. Each survey is quick and easy to fill out. Links to the surveys are available on the school website. Simply go to the homepage, look at the top news story, and click the appropriate link. It would be most appreciated if as many parents as possible could help out.

Good luck to our footballers
Good luck to our secondary Open Rugby League and League Tag teams that will be competing against Hay War Memorial High School this afternoon at Darlington Point. Thanks to Mr Wakem and Mrs Strachan for organising the matches. We look forward to hearing the results shortly.

All of the girls demonstrated fantastic sportsmanship and teamwork. Phoebe White was our lone point scorer. Special mention goes to Elli Hay who won the players player Award and Angela Rainbird who got a special award for leadership. PBL-Positive Behaviour for Learning
It’s great to see the ticket box in the library constantly filling up as our students work towards receiving a whole school reward such as a muffin day. We are giving out PBL tickets for being RESPONSIBLE, SAFE & RESPECTFUL on verandahs and paths as well as focusing on active areas. Examples of positive behaviour in active areas include being friendly, playing fairly, picking up rubbish that you see on the ground even if it isn’t yours and without being asked, looking after your belongings and staying in bounds will get you a ticket and put you in the draw for prizes such as iTunes gift card’s and canteen vouchers then our overall prize at the end of term winning an iPad. It’s as simple as earning a ticket, putting your name on it and dropping it in the PBL box in the library. Congratulations to our winners so far this term.
