Cross Country
Congratulations to everyone for their efforts at the Cross Country last week. There were some excellent results and great participation across the school. Hopefully the new course also reduced confusion with which way to go! Thanks to Mr Watts, Mr Wakem and Mrs Strachan for their organisation of the event.

Year 5/6 musicians
It was great to see our Year 5/6 class perform at the primary assembly last week. Miss Creek has done a great job coordinating singers, guitarists, percussionists and keyboard players into a motley crew of organised music. Well done to all involved!

Signing on
Thanks to everyone who signed on for the primary assembly on Friday. We have decided to have a special sign on book just for the assembly so that there’s no need to come through the office. It will be inside the front door as you come in. Please also remember to sign out when leaving. If you have other business at the school after assembly is finished, please sign out through the office before leaving.

Sport reps
We wish our state swimmers well this week as they compete in Sydney. Good luck Annabelle Arthur, Charlotte Young, Emily Hibbert and Mia Jones. Congratulations also to Josh Fattore, Thomas Fattore and Danny Brain who were successful at the regional trials last week and have been selected for Riverina rugby league teams. Zara O’Loughlin was also successful in being named as a reserve for the regional soccer team. Well done to all! Enjoy the week

Responsible Pet Program
Carmen and her dog Zeta visited Kindergarten, Year 1 and Year 2 as part of the “Responsible Pet Education program for Schools”. We learnt how to meet and greet dogs and what to do if approached by an angry dog. Carmen was lovely and her dog Zeta was white and fluffy. We thanked Carmen and Zeta for coming all the way from Wagga to teach us about dog safety.

PBL Final Draw, Term 1
As the first school term comes to an end our final PBL draw is coming up. Thursday in week 10 will see a lucky student win an iPad. It has been fantastic to see the big box in the library filling up and we are almost at the level where the whole school will get a mufti day reward with the theme of dressing up as something beginning with the letters P, B or L. Active areas will continue to be the focus for this term behave responsibly, be respectful and act safe in those areas and you never know the iPad might be yours at the end of term.

Cross Country 2015
Last Wednesday, CCS held our annual Cross Country carnival. It was a fantastic event that was held at Cypress View Lodge. The student’s participation in the carnival was excellent and it was great to see the school’s sports house colours being represented strongly. Thanks go out to Karen Hodgson and Cypress View Lodge for allowing us to use their facility as we will look to do in future events. Thanks also to parents and members of the community who were there to support the students and carnival. It’s great to hear positive feedback and comments about how our students behaved and participated at the carnival from members in the community. Congrats to all our students who will represent CCS at the Zone level which will be held in week 4 next term at Yanco Agricultural High School.

P&C Election Day Cake Stall
CCS P&C will be running a cake stall on Election Day, Saturday 28th March. It will be outside the school hall. We are asking for donations of:
- produce
- cakes
- slices
- muffins
- scones etc.

We had 9 contributors to the Cooinbil job, and we would love to double that number for the cake stall. Baking not your thing? Donate an hour of your time to help run the stall on the day - it would be much appreciated and it would be great to see some new faces. Donations can be left at the school office on Friday 27th March, dropped off on the day or pick up of donations can be arranged.
