Principal’s Report
Well done to all the Primary students and Secondary students in Years 3, 5, 7 and 9 who undertook the 2015 NAPLAN examinations last week. Students were exceptionally well behaved during the process and applied themselves with due diligence.

Also, good luck to our year 7-10 students who began their examination week yesterday. Hopefully students have prepared well and, like their teachers, will be pleasantly surprised by their results.

Deadly Australians
Just a reminder that if you have not sent in the permission note and payment for the educational awareness program Deadly Australians, scheduled for Monday 25th May, then please do so as soon as possible. This fantastic experience aims to help raise awareness about the creatures that live in the Australian environment and educate all who participate in the presentation about first aid treatment. This should be an outstanding experience.

Sporting Carnivals
Over the next few weeks there will be a large amount of regional sporting events involving both the primary and secondary school. I know all students involved will represent our school in the most exemplary fashion and be respectful, responsible and safe at all times. Thank you in advance to parents who will be assisting with transport to some of the events. Please remember to provide the school with your details in the event that you will be transporting your own and other students to venues around our local area.

PBL Term 2
It is fantastic to see so many students continuing to be responsible, safe and respectful this term especially in the focus area of sport locations. Staff have been awarding students PBL tickets to encourage and acknowledge positive behaviour during sport and while engaging in movement through external areas such as verandahs and pathways.

Our 1st PBL draw for this term will be next Monday. Students please make sure your tickets are in the box located in the library for your chance to win an iTunes or canteen voucher. Also the big box is filling up rapidly which means that we are closer every day to another whole school reward.

Last term’s multi day was a great success I believe.

Have a wonderful week.

WE’RE TAKING IT IN OUR STRIDE ON FRIDAY 22 MAY 2015

Well it’s that time of year again when our school seriously starts talking about walking! Walk Safely to School Day asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around. And although walking all the way to school isn’t realistic for many of us, it’s quite easy to figure out how you can build a walk into your family’s daily routine.

You can teach your child the healthy habit of walking more by:

- Walking with them the whole way to school
- If they get the bus or train, walk past your usual stop and get on at the next stop

**Tirkandi Inaburra**
Tirkandi Inaburra Cultural and Development Centre is an Aboriginal community run centre offering Aboriginal boys aged 12-15 a culturally-based residential program aimed at reducing future contact with the criminal justice system by strengthening the boys’ cultural identity, self-esteem and resilience.

Whilst at the Centre the boys engage in educational, sport, recreational, life, living skills and cultural activities which have all been designed to incrementally develop each participant’s skills and abilities. Schooling is provided on site by the NSW DEC under the banner of Coleambally Central School. The Centre is located on a 780 hectares rural property between the townsships of Coleambally and Darlington Point in the Riverina district of south-west NSW.

The Centre is inviting community members to visit the Centre at 6.30pm on Wednesday 27th May for a presentation delivered by the Youth Workers who assist the boys in their learning journey. A light supper will be provided. All community members are welcome. Information is attached for your convenience.

**Sapphire Behaviour Reward Afternoon**
On Friday students from Kinder to Year 6 who have reached their sapphire award will be participating in a movie afternoon. Well done everyone and keep up the great effort!
