Week 6 Term 2 26th May 2015

Principal’s Report
This week marks the start of Semester 2 for Coleambally Central and as expected we are off to a flying start. We aim, as a school, to provide students with as many educationally enriching experiences as possible to complement our focus in the classroom and the Deadly Australians presentation yesterday is a perfect example.

Students from Kindergarten to Year 10, St. Peter’s and the Pre-School all immensely enjoyed the presentation delivered by Marc Dorse, a respected authority on dangerous animals, toxicologist and herpetologist, who has been involved with schools for over 20 years. Students and staff also learnt interesting facts in regards to the effects of, treatment and management of human and animal bites by venomous creatures. It was especially pleasing to see all stakeholders in our local student learning community engage with each other and enjoy the show together. While some staff and students were a little reluctant to engage with the specimens, many students put aside their fears and happily (or not so happily as the bottom photo suggests) patted the reptiles during the show.

**National Walk Safely to School Day**

Last Friday, Primary students celebrated Walk Safely to School Day with a guided walk around Coleambally town square. The purpose of this initiative was to ensure student awareness around safety when crossing roads, understanding safety on footpaths and upholding road rules. This was a
really enjoyable exercise for our students who were exceptionally well behaved during the event.

A Behaviour Awards afternoon followed the Walk Safely to School outing. Students were rewarded for their outstanding behaviour during Semester 1 with a movie treat.

Canteen Lunch Orders
Just a reminder to primary and secondary students to please put your lunch orders in when you arrive at school so Ms DeMamiel, our canteen manager, has enough time to prepare the lunches well in advance. This allows quicker service during recess and lunch times—which is better for all concerned.

School Photo Day 26th June 2015
Please ensure that for our upcoming school photos this year, all students are wearing the correct winter uniform. A uniform list is attached to this newsletter. Thank you for your assistance.

Have a fantastic week.

Year 8 Music Excursion
On Friday, Miss Creek and 17 year 8s went to Griffith to see the Sydney Symphony Orchestra perform. The orchestra performed 5 different pieces of music and we were introduced to and had each of the instruments demonstrated for us in their family groups. A big thanks to Karen Hodgson and Troy Jay for coming along and helping out. The students really enjoyed the opportunity to see and hear professional musicians play. Some of the highlights of the concert included:

- Hearing the harp, violins and piccolo demonstrations
- The percussion clapping song
- The double basses playing All About That Bass
- Hearing the Lone Ranger
- Watching the conductor
- Hearing the orchestra all play in time
- Experiencing the concert as a whole
