Friday 12th June  Primary Assembly 12.45pm Year 4

Week 9 Term 2
Monday 15th June  Tertiary awareness day Leeton
Tuesday 16th June  Year 10 Work experience
Wednesday 17th June  NISEP Science
Thursday 18th June  Primary Assembly 12.45pm Year 5/6

Throwback Thursday
Wow! What an amazing display of vintage outfits. Students and staff truly embraced the SRC fundraiser Throwback Thursday to design some incredibly creative costumes covering many decades. Thanks to Mrs White and the SRC for organising such a fantastic day for our school.

Australian Early Development Census-AECD
Over the next week, Kindergarten students will be part of the AECD nationwide census of early childhood development that measures the progress of children as they start their first year of full-time school. Census data is used by early childhood educators and health services, local councils, community groups, schools and governments to help plan and allocate the right type of services, resources and support for communities.

The census involves teachers of children in their first year of full-time school completing a research tool, the Australian version of the Early Development Instrument. The Instrument collects data relating to five key areas of early childhood development. Children do not need to be present when the teacher completes the Instrument and will not miss any class time, as the Instrument is based on teacher observation.

If you would prefer that your child did not participate in this data collection then please contact the school.

Stage 6 Subject Selection Booklets
Students currently in Year 10 and 11 will receive their Stage 6 Subject Selection Booklet to assist in the selection of the Higher School Certificate subjects they wish to study in 2016 (current Year 10 and 11) and 2017 (current Year 10) at the end of this week. A Stage 6 Subject Selection Information Evening will be held early in Term 3 to provide an opportunity to learn more about the courses on offer and to ask any other questions that need clarification. While we endeavour to provide students with an excellent range of options for a school of our size it should be noted that not all courses listed on the Subject Selection Sheet will run in 2016 and 2017. Courses that will run will be dependent on how many students select the course and the availability of staff to deliver the courses after all subject selections have been collated. If you require more information prior to the Stage 6 Subject Selection Information Evening then please contact me at school.

Zone Athletics
Congratulations to all of our students who participated in the CHS Zone Athletics Carnival at Griffith on Friday. Thank you to Mr Wakem and Mrs Mansell for their organisation and supervision.

Special mention goes to the following students who placed in the top 3 in their events:
Ayden Coulon 12 year boys - 2nd in Shot-pul,
Angela Rainbird 14 year girls - 2nd in Javelin, 1st in Discus,
Thomas Fattore 14 year boys - 1st Javelin, 2nd Long Jump,
Harry Tooth 14 year boys - 2nd Javelin,
Jack Cullen 13 year boys - 1st in Shot Put,
Ryan Manners 16 year boys - 3rd 1500m,
Makayla Johnson 16 year girls - 1st Long Jump,
Phoebe White 13 year girls - 2nd High Jump,
Tom Manners 16 year boys - 1st Long Jump,
Danny Brain 15 year boys - 3rd Javelin,
Jai Coe 15 year boys - 2nd in Javelin,
Michael Connor 17 year boys - 2nd Javelin,
Tessa Evans 16 year girls - 2nd High Jump,
Tiana Cadorin 13 year girls - 2nd 200m, 2nd in 100m
Hannah Clarke 13 year girls - 2nd in long Jump, 2nd in Javelin
Jessica Bellato 14 year girls - 1st in 400m,
Emma Dunbar 16 year girls 1st in 400m.
Again, congratulations CCS athletes on your outstanding results.

School Photo Day 24th June 2015
Please ensure that for our upcoming school photos this year all students are wearing the correct winter uniform. Thank you for your assistance.

Have a fantastic week.

Meagan Crelley
Principal

Primary News

“Trow back Thursday”

Thanks everyone the SRC raised $306 to donate to Neuroscience Research Australia

Penny White
SRC.
In Year 3 we are reading as a class, James and the Giant Peach. We have made peaches for our peach tree. The book was written by Roald Dahl and it is about an orphaned boy who lives inside a giant peach; it is a very funny and entertaining story.

In Year 2 we are practicing our ball game skills, this includes throwing, catching, dribbling for basketball and soccer and improving team work skills.
Miss Watts is teaching us about measuring in maths. We are measuring mass using scales and comparing weights with everyday objects.

During lunch time a handful of year 4 students have been creating a "scrap paper snake."
   The project first originated in class on a Friday afternoon 2 weeks ago
   Aldrin set out to make a snake the length of the classroom (10m)
By the following week, Aldrin had recruited his friends and they all wanted to take part in the self directed learning process!!!

Now their goal is to make the snake The length of the school oval (163m) by the end of term.
Everyday this group of mathematical minded kids are working through their lunch time to try to achieve their goal.
They have certainly captured the interests of all the students and teachers!
   The snake currently measures in at 101m
   Well done guys!!!

Good luck to Jack O'Connell
He is off to the Riverina Cross-Country in Gundagai

Year 4 would like to invite you to our assembly on Friday at 12.45pm in the school hall

What belongs to you but is used more by others?
