Principal’s Report
This being the last week of Term 2, I would like to take the opportunity to wish all students, families and staff a safe and restful holiday. I would also like to thank the school community for making my first term as Principal of Coleambally Central School a particularly enjoyable one. It has been an enormous privilege to be welcomed into such a wonderful learning environment.

Stage 5 and Stage 6 Subject Selection Information Evening
The Stage 5 and Stage 6 Subject Selection Information Evening will be held on Wednesday 15th July, which is the first week back from the school holidays. Information will be presented to current Year 8 students who will be selecting their electives for 2016/2017. Year 9 students are also welcome to attend. This session will commence at 6.00pm. Following this presentation current Year 10 and 11 students and their parents are invited to attend an information session, commencing at 7.00pm, regarding subject selections for the Higher School Certificate. This is a great opportunity to learn more about subjects on offer at our school for 2016.

Both Stage 5 and Stage 6 students have quite some time to consider their subject choices after the information sessions. All selections must be submitted to the office or Mrs Crelley by Friday 7th August at the latest. The sooner all selections are in the sooner we can establish which classes will operate next year.
