Wednesday, 2 March 2016

Dear Parent,

In Year 10 PDHPE the students have been completing the unit 'Party Safe' which focuses on celebrating safely and reducing harm in social settings. As part of the unit, and in line with the 7 – 10 PDHPE syllabus we will be learning about sexual health in the coming weeks, in particular; contraception and sexually transmitted infections. For more information, you are able to access the full PDHPE syllabus at https://www.boardofstudies.nsw.edu.au/syllabuses/.

If you wish to discuss the nature of the content further, or do not wish your child to participate in the sexual health lessons, please contact Kate Huckle at the school on 02 6954 4131.

Yours sincerely,

Kate Huckle
PDHPE teacher
