**Coleambally Central Primary Rewards System: Behaviour Gems 2016**

The majority of primary school students at Coleambally Central School follow the school rules and do the right thing every day.

To reward and encourage these students for their efforts with correct behaviour we are continuing our positive rewards system across the primary school. Individual teachers will also continue to run their own reward schemes in each class. Behaviour Gems will operate in much the same way as the secondary rewards system but takes into account a more age appropriate set of guidelines. The system will reward students with a series of certificates on attainment of each gem level as well as a reward.

  - Movie and popcorn afternoon  
  - Presentation of certificate at K-6 Assembly |
| 5    | **Opal Award**  
  - Ice block  
  - Presentation of certificate at K-6 Assembly |

- Other teachers e.g. Playground and Library teachers may give out mini gems and gems.
• 3 mini gems equal one gem and can be distributed for any appropriate behavior or achievement.
• A mini gem will be given to each class member whose class wins the behaviour shield at Friday assemblies.
• It is the student's responsibility to hand in all merits, class awards and other certificates to the class teacher so that points can be tallied. Students will have individual tally sheets. Individual teachers will organize their own grade appropriate system for monitoring awards.
• This system will run yearly - students will start at 0 points at the beginning of each year.
• Each week students who have consistently applied themselves over this time and have not received an inappropriate behaviour record from any teachers, will receive 1 additional gem to add to their total.
• Any extra gems awarded to students are up to teacher discretion upon worthy extra achievements.
• Kindergarten students need only attain 10 gems per level.
• Students who attain their Diamond Gem early can achieve a double diamond with extra recognition on the Diamond Reward day.
